### Risk Disclosure:

#### **Foreign Currency Trading**

Foreign currency trading involves risks. Foreign currency investments are subject to exchange rate fluctuation which may provide both opportunities and risks. The fluctuation in the exchange rate of foreign currency may result in losses in the event that the customer converts the foreign currency into Hong Kong dollar or other foreign currencies. Foreign currency rates of exchange may adversely affect the value, price or income of any security or related investment mentioned in this website. This website does not purport to identify all the risks that may be involved in the product or investments referred to in this website. Before making investment decision, investors should read and understand the offering documents of such products, including but not restricted to the risk disclosure statement and health warning.

Unless the context requires otherwise, this website does not constitute any offer, invitation or recommendation to any person to enter into any foreign currency transaction nor does it constitute any prediction of likely future movements in prices of any foreign currencies.

This website has not been reviewed by the Securities and Futures Commission or any regulatory

authority in Hong Kong.
